Dear Valued Partner,

The 18th Annual Conference of US HUPO, “One World”, will be held on February 27 - March 2, 2022 at the Charleston Marriott in Charleston, South Carolina. The conference opening will be preceded by two days of short courses on February 26 and 27.

US HUPO 2022 features a full program of outstanding plenary speakers, a great variety of 14 parallel scientific sessions and oral presentations, as well as educational short courses and topic-specific evening workshops. Our oral presentation sessions cover diverse and fascinating proteomic topics, such as Enabling Pandemic Proteomics, Automation and Large-Scale Proteomics, Microbiome Multi-omics and Proteomics to Advance Equity.

In addition, we present plenty of opportunities for young scientists to connect with seasoned proteomics professionals and present their work in over 200 poster presentations and 50 lightning-talks. More details are available at www.ushupo.org.

Corporate support and involvement are a vital part of the US HUPO annual conference. Participating companies enjoy contact with attendees through placement of breaks in the combined poster-exhibit space and informal interactions. Be there to enjoy the excitement and the warm hospitality of the US HUPO Conference and the city of Charleston.

We hope you will join us as a partner in Charleston, as US HUPO comes back together in person for the 18th Annual US HUPO Conference.
